## June 2024 Newsletter

### June 2024

The Mooring continues to help so many families through their darkest days. We are currently supporting 23 people from six families.

On June 7th we received our 700th referral! That's 700 families who have been able to be with their critically ill loved one because of The Mooring. Here are some happy snaps of just a few of these 700 families!

If you would like to partner in the work we do please visit our website to make a tax deductible donation. Thank you for your ongoing support and generosity.

### Introducing Carer Lisa

Hi, I'm Lisa Vieyra. I'm married to Marc and we have two happily married children that have blessed us with six grandchildren.

When I was asked if I'd like to become a carer for the Mooring, I didn't have to think about it. I love what the Mooring does. The wrap around care it provides to people who are going through varying levels of uncertainty, stress and trauma is love being lived out.

I love what Jesus says in John 13:34 & 35. He says that we should love one another as Jesus loves us and by doing this the world will know that we are His followers. I count it a privilege to be able to pray for patients and their families and love them as Jesus loves us.
